_____ I have filled out this paperwork honestly. I understand that omission of information and/or failure to answer all questions and sign this paperwork can result in being declined and agree that this is not arbitrary.

_____ If an omission or untruth is discovered after an adoption takes place, I understand that PCPS reserves the right to annul the adoption and reclaim the animal. I give permission to fully investigate the information provided.

_____ This dog will reside in my home as a pet. I will provide it with quality dog food, plenty of fresh water, indoor shelter, affection, annual physical examination and vaccinations under the supervision of a licensed Veterinarian.

_____ I further understand that no representations are made as to the temperamental or mental disposition of the dog. Accordingly, I hereby adopt the dog at my own risk.

_____ I understand the adoption decision is dependent on many factors, including but not limited to the compatibility of the family and home to the individual animal, and other applications received on this animal.

_____ Our goal is to place animals in **forever homes**. It can be difficult for an animal to make the transition to a new home, only to be brought back to the shelter, so we encourage you to consider your choice of pet carefully before making a final decision. **We have a no refund policy.**

_____ If at any time you can no longer care for your adopted dog, you may return the dog. **Please contact us** so that we can **schedule an appointment** for the dog to be returned. If you know of a suitable home, a shelter representative will need to approve the new home.
